General information

Who must file?

The General Municipal Law (GML) and the Public Authorities Law require the agent/project operator (also known as the *project occupant*) of an Industrial Development Agency or Authority (IDA) to file an annual report with the Tax Department. The agent/project operator required to file this report is the person **directly** appointed by the IDA to act for and to represent the IDA for the project. The agent/project operator is ordinarily the one for whom the IDA project was created.

There is usually only one agent/project operator directly appointed by the IDA for an IDA project. However, if the IDA directly appoints multiple agents/project operators, each agent/project operator must file this form (unless they are related corporations).

Only the agent/project operator(s) directly appointed by the IDA must file Form ST-340. Contractors, subcontractors, consultants, or agents appointed by the agent/project operator(s) should **not** themselves file Form ST-340. However, the agent/project operator(s) must include on Form ST-340 information obtained from such contractors, subcontractors, consultants, and agents, as described below.

What must be reported?

The report must show the **total value of all state and local sales and use taxes exempted** during the calendar year, as a result of the project's designation as an IDA project. This includes:

- the value of the exemptions obtained by the agent/project operator; and
- the value of the exemptions obtained by your contractors, subcontractors, consultants, and others, whether or not appointed as agents of the IDA.

The report requires only the **total combined** exemptions obtained by the above people. A break down of the total is not required. However, since the report must include the value of the exemptions they obtained, the agent/project operator must keep records of the amounts others report to the agent/project operator.

It is important that the agent/project operator make it clear to the contractors, subcontractors, consultants, and others that they must keep accurate tax information and have it available so that the agent/project operator can comply with the annual reporting requirements.

Do not include in this report the amount of any sales and use tax exemptions arising out of other provisions of the Tax Law (for example, manufacturer's production equipment exemption, research and development exemption, or contractor's exemption for tangible personal property incorporated into a project of an exempt organization).

See instructions below for additional information required.

When is the report due?

You must file Form ST-340 on a calendar-year basis. It is due by the last day of February of the following year. The reporting requirement applies to IDA projects started on or after July 21, 1993.

At the top of the form, identify the reporting period by entering the year in the space provided. If an address is required, always include the ZIP code.

FORM OF SALES TAX LETTER

SALES TAX LETTER

[ON OR AFTER JUNE 1, 2014]

[NAME OF COMPANY]

[ADDRESS OF COMPANY]

Re: Town of Hamburg Industrial Development Agency and [Name of Company]

Ladies and Gentlemen:

Pursuant to a resolution duly adopted on _____ (the "Resolution"), the Town of Hamburg Industrial Development Agency (the "Agency") appointed [NAME OF COMPANY] (the "Company") the true and lawful agent of the Agency to undertake a certain project (the "Project") consisting of: [PROJECT DESCRIPTION].

This appointment includes authority to purchase on behalf of the Agency all materials to be incorporated into and made an integral part of the Facility and the following activities as they relate to any construction, erection and completion of any buildings, whether or not any materials, equipment or supplies described below are incorporated into or become an integral part of such buildings: (1) all purchases, leases, rentals and other uses of tools, machinery and equipment in connection with construction and equipping, (2) all purchases, rentals, uses or consumption of supplies, materials, utilities and services of every kind and description used in connection with construction and equipping and (3) all purchases, leases, rentals and uses of equipment, machinery and other tangible personal property (including installation costs), installed or placed in upon or under such building or facility, including all repairs and replacements of such property.

This agency appointment includes the power to delegate such agency, in whole or in part to agents, subagents, contractors, subcontractors, contractors and subcontractors of such agents and subagents and to such other parties as the Company chooses, as is set forth in the Agent Agreement, dated as of _____, by and between the Agency and the Company (the "Agent Agreement"). As further set forth in the Agent Agreement, the Agency will complete "IDA Appointment of Project Operator or Agent For Sales Tax Purposes" (NYS Form ST-60) for the Company and the Agency will execute said form forward said form to the New York State ("State") Department of Taxation and Finance within thirty (30) days of appointment.

As further set forth in the Agent Agreement, in order to be entitled to use the exemption from New York State Sales and Use Taxes ("Sales Tax"), the Company, its agents, subagents, contractors and subcontractors should present to the supplier or vendor of materials for the Project, a completed "IDA Agent or Project Operator Exempt Purchase Certificate" (NYS Form ST-123), to show that the Company, its agents, subagents, contractors and subcontractors are each acting as agent for the Agency in making the purchases of tangible personal property or services for use in the Project, thereby relieving such vendor or seller from the obligation to collect Sales Tax with respect to the construction and installation and equipping of the Facility. In connection therewith, it is necessary for the Company to identify the Project on each bill or invoice and indicate thereon which of the Company, its agents, subagents, contractors and subcontractors acted as agent for the Agency in making the purchases. Copies of each NYS Form ST-123 issued by the Company to a seller shall be forwarded to the Agency within thirty (30) days following the issuance by the Company.

As further set forth in the Agent Agreement, the Company is required to file an annual statement with the State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (NYS Form ST-340) regarding the value of sales and use tax exemptions the Company, its agents, consultants or subcontractors have claimed pursuant to the agency conferred on the Company by the Agency with respect to this Project, and the Company is required to provide a copy of same to the Agency within thirty (30) days of each filing; provided, however, in no event later than February 15th of each year.

The agency conferred on the Company by the Agency is limited to the Project, and will expire on **[DATE OF EXPIRATION OF AGENT STATUS]**. The Company may apply to extend this agency authority by showing good cause; *provided, however, the exemption for leases executed prior to said date shall continue through the term or extended term of said lease and any acquisition of said leased property.* Should the agency authority be extended beyond such date, the agency created will continue for as long as the period of the Agency resolution approving such extension.

This letter is provided for the sole purpose of describing the exemption from Sales Tax for this Project only. No other principal/agent relationship is intended or may be implied or inferred by this letter.

With respect to registered vehicles acquired by the Company in the name of the Agency, the Agency shall transfer title to such vehicles immediately back to the Company, or as soon thereafter as reasonable practicable; and any personal property acquired by the Company in the name of the Agency shall be located in the Town of Clarence, New York, except for temporary periods during ordinary use.

This letter is being issued pursuant to the Agent Agreement. All agents, consultants, subcontractors, or any other party authorized to make purchases for the benefit of the Project should be aware of the Agent Agreement and obtain a copy thereof.

As further set forth in the Agent Agreement, except to the extent of bond proceeds (to the extent bonds are issued by the Agency with respect to the Project), the Agency is not liable,

either directly or indirectly or contingently, upon any such contract, agreement, invoice, bill or purchase order in any manner and to any extent whatsoever (including payment or performance obligations), and the Company is the sole party liable thereunder.

Very truly yours,

Instructions

To the purchaser

You may use Form ST-123 if you:

- have been appointed as an agent or project operator by an industrial development agency (IDA) and
- the purchases qualify for exemption from sales and use tax as described in the IDA contract.

You may use Form ST-123 as a single-purchase certificate or as a blanket certificate covering the first and subsequent purchases qualifying for the project listed.

Agent or project operator sales tax ID number — If you are registered with the Tax Department for sales tax purposes, you must enter your sales tax identification number on this certificate. If you are not required to be registered, enter *N/A*.

Industrial development agencies and authorities (IDAs) are public benefit corporations under General Municipal Law Article 18-A and the Public Authorities Law, for the purpose of promoting, developing, encouraging, and assisting in the acquisition, construction, reconstruction, improvement, maintenance, equipping, and furnishing of industrial, manufacturing, warehousing, commercial, research, and recreational facilities in New York State.

IDAs are exempt from the payment of sales and use tax on their purchases, in accordance with Tax Law section 1116(a)(1). However, IDAs do not normally make direct purchases for projects. Commonly, IDAs instead appoint a business enterprise or developer, contractor, or subcontractor as its agent or project operator. Such purchases made by the agent or project operator, acting within the authority granted by the IDA, are deemed to be made by the IDA and therefore exempt from tax.

Example 1: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment necessary for completion of the project, as agent for the IDA. Contractor X rents a backhoe and a bulldozer for site preparation, purchases concrete and lumber to construct a building, and purchases machinery to be installed in the building. All these purchases by contractor X as agent of the IDA are exempt from tax.

Example 2: IDA agreement with its agent or project operator states that contractor X may make all purchases of materials and equipment to be incorporated into the project, as agent for the IDA. Contractor X makes the same purchases as in Example 1. Since the concrete, lumber, and machinery will actually be incorporated into the project, contractor X may purchase these items exempt from tax. However, rental of the backhoe and bulldozer is not exempt since these transactions are normally taxable and the IDA agreement does not authorize contractor X to make such rentals as agent of the IDA.

A contractor or subcontractor not appointed as agent or project operator of an IDA must present suppliers with Form ST-120.1, *Contractor Exempt Purchase Certificate*, when making purchases that are ordinarily exempt from tax in accordance with Tax Law sections 1115(a)(15) and 1115(a)(16). For more information, see Form ST-120.1.

Exempt purchases

To qualify, the purchases must be made within the authority granted by the IDA and used to complete the project (not to operate the completed project).

- Mark box A to indicate you are purchasing tangible personal property and services (other than utility services and motor vehicles or tangible personal property installed in a qualifying motor vehicle) exempt from tax.
- Mark box B to indicate you are purchasing certain consumer utility services used in completing the project exempt from tax. This includes gas, electricity, refrigeration, and steam; and gas, electric, refrigeration, and steam services.
- Mark box C to indicate you are purchasing a motor vehicle or tangible personal property related to a qualifying motor vehicle exempt from tax.

Misuse of this certificate

Misuse of this exemption certificate may subject you to serious civil and criminal sanctions in addition to the payment of any tax and interest due. These include:

- A penalty equal to 100% of the tax due;
- A \$50 penalty for each fraudulent exemption certificate issued;
- Criminal felony prosecution, punishable by a substantial fine and a possible jail sentence; and
- Revocation of your *Certificate of Authority*, if you are required to be registered as a vendor. See TSB-M-09(17)S, *Amendments that Encourage Compliance with the Tax Law and Enhance the Tax Department's Enforcement Ability*, for more information.

To the seller

When making purchases as agent or project operator of an IDA, the purchaser must provide you with this exemption certificate with all entries completed to establish the right to the exemption. You **must** identify the project on each bill and invoice for such purchases and indicate on the bill or invoice that the IDA or agent or project operator of the IDA was the purchaser.

As a New York State registered vendor, you may accept an exemption certificate in lieu of collecting tax and be protected from liability for the tax if the certificate is valid. The certificate will be considered valid if it is:

- accepted in good faith;
- in your possession within 90 days of the transaction; and
- properly completed (all required entries were made).

An exemption certificate is accepted in good faith when you have no knowledge that the exemption certificate is false or is fraudulently given, and you exercise reasonable ordinary due care. If you do not receive a properly completed certificate within 90 days after the delivery of the property or service, you will share with the purchaser the burden of proving the sale was exempt.

You must also maintain a method of associating an invoice (or other source document) for an exempt sale with the exemption certificate you have on file from the purchaser. You must keep this certificate at least three years after the due date of your sales tax return to which it relates, or the date the return was filed, if later.
