Moved: Bob Hutchison **Seconded:** Cam Hall

Cam Hall pointed out the following; this request is for \$175,000 in incentives for 5 jobs (conservatively) equates to \$35k in incentives per job with a starting salary of \$43,000. Amazon received incentives of \$6 million for 75/100 jobs (conservatively) averaging \$21 per hour which equals \$43,000 per year. Noteworthy since the board had received flack for the Amazon incentives.

Additionally, Amazon has since far exceeded their job requirements and has been a welcome addition to the Community, the Board appreciated the analysis.
