Rusert-Kelly retires after 23 years of service to Hamburg IDA

Hamburg, New York – 4 January 2022 – Village of Hamburg resident Norma Rusert-Kelly has served the Town of Hamburg Industrial Development Agency since her appointment on December 7, 1998, the longest term of any board member in agency history.

HIDA Executive Director, Sean Doyle said, “Norma was instrumental in bringing major development projects such as FedEx and the Oaks at South Park to the Town of Hamburg.” Chairman Andrew Palmer congratulated Rusert-Kelly’s service saying, “The continued growth of Hamburg would and could not happen without the support of dedicated volunteers such as Norma.”
